to make an offer to purchase

New Shares of Amatheon Agri Holding N.V. (ISIN NL0010273694)

The term of the invitation period to make an offer to purchase New Shares of Amatheon Agri Holding N.V. (ISIN NL0010273694) is hereby extended again by four weeks from 15 October 2019 to 12 November 2019 as follows:

Reference is made to the acquisition offer in respect of new shares of Amatheon Agri Holding N.V. (the "**Company**") to the noteholders of the EUR 125,000,000.00 Notes of Amatheon Financing B.V. due on 31 July 2019 (ISIN DE000A1ZML05) published on 31 July 2019 in the German Federal Gazette (*Bundesanzeiger*) (the "**Acquisition Offer**"). Capitalized terms used in this invitation (the "**Invitation**") shall have the same meanings as defined in the Acquisition Offer unless the context requires otherwise.

The shareholders of the Company as of the date of this Invitation (the "**Shareholders**") are hereby invited to make an offer to purchase from the Settlement Agent up to a total of **18,997,344** New Shares, with respect to which the holders of Acquisition Rights have not exercised their Acquisition Rights during the Acquisition Period.

Offers by any Shareholder will only be accepted by the Settlement Agent if such Shareholder offers to purchase New Shares **for a total consideration of at least EUR 100,000 for each separate offer** in accordance with Article 1 para. 4 lit. (d) of the Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 ("**Prospectus Regulation**"). **Any separate offer by any Shareholder to purchase New Shares for a total consideration of less than EUR 100,000 will not be accepted.**

Please submit your offer to the Settlement Agent ultimately **by 12 November 2019** to the following contact details:

Shareholders or depositary banks are invited to use the attached purchase form. Neither the Settlement Agent nor the Company is obliged to accept offers by Shareholders so submitted. Purchase forms received by the Settlement Agent after 12 November 2019 shall be disregarded.

If it appears that valid offers made by Shareholders, each separate offer having been made for a total consideration of at least EUR 100,000, are made for more than 18,997,344 New Shares in total, and the Settlement Agent wishes to accept such offers, the Settlement Agent shall accept such offers taking into account the following order of priority and allocation method:

- Offers shall be prioritized from the highest price offered per New Share (ranking highest in priority) to the lowest price offered per New Share (ranking lowest in priority).
- Offers having the same rank in prioritization under the previous paragraph (i.e., having been made for the same price per New Share) shall rank *pari passu* and shall be accepted in proportion to the number of New Shares for which such offers have been made.

Under the order of prioritization and allocation described above, neither the Settlement Agent nor the Company can guarantee that all offers made by Shareholders will be accepted, even if they are timely and duly made and are all made for a total consideration of at least EUR 100,000.

No Securities Prospectus

Neither the Settlement Agent nor the Company will issue a securities prospectus with regard to the New Shares to which this Invitation relates. Such a securities prospectus is therefore not available as an information base for the investment in the New Shares. In addition, only very limited information is publicly available with respect to the Company as

- as of now neither consolidated nor unconsolidated financial statements of the Company for the financial year 2018 have been published; and
- the consolidated financial statements of Company for the financial years 2015, 2016 and 2017 have not received a final audit opinion from the Company's statutory auditors.

Shareholders are strongly advised to read the Company's publications, in particular the annual reports and press releases, on the Company's website at

<http://www.amatheon-agri.com/investor-relations>.

An investment in the New Shares is connected with substantial uncertainties and risks. Shareholders should carefully read the risk assessment/management in the annual reports of the Company published on the Company's website at

<http://www.amatheon-agri.com/investor-relations/annual-reports>

when deciding to make an offer to purchase New Shares.

In addition, Shareholders should consider, *inter alia*, the following risks:

- The Company has incurred significant operating losses and there is no guarantee that the Company will achieve or maintain profitability in the future.
- The markets in which the Company operates may not develop as the Company anticipates.
- The Company may not be able to maintain or grow its revenue or business.
- The Company may require additional capital which might not be available on economically acceptable terms, or at all.
- There is no liquid market for the New Shares.
- The Company's share price could fluctuate significantly, and Shareholders could lose part or all of their investment in the Company's shares.
- The Company does not expect to pay dividends in the foreseeable future.
- Future sales by major Shareholders could materially adversely affect the price of the Company's shares.
- Future offers of debt or equity securities by the Company could adversely affect the price of the Company's shares, and future issuances of shares could lead to a substantial dilution of the Shareholders.

Shareholders are strongly advised to seek independent advice where appropriate in order to obtain an informed assessment with respect to an investment in New Shares.
